

Christchurch Replacement District Plan - Stage 3 Notified

Stage 3 of the Christchurch Replacement District Plan has been notified, with submissions closing 4 September. This covers the Central City, natural and built heritage, coastal and natural hazards, a special purpose flat land recovery area for the red zone, and remaining parts of the District Plan not covered by Stages 1 and 2.

The provisions as notified can be found here: www.proposeddistrictplan.ccc.govt.nz

More details on the hearing process can be found here: www.chchplan.ihp.govt.nz

The future shape of the City will be influenced by the final version of the District Plan.

If you have any questions about how the provisions might affect your interests, or wish to make a submission, please contact our specialist [Resource Management Team](#) in Christchurch.
